- 8 collective bargaining agreement, but it had all the
- 9 trappings of it, of a negotiation, to me.
- 10 Q. Can you just -- what perhaps did it have that gave you
- 11 that impression?
- 12 A. You had two or more parties engaged in the discussion
- 13 of a proposal that had been made, we had the
- 14 solicitation of a response to that proposal, a
- 15 willingness to cooperate and welcome any input from
- 16 the other party. There was also an offer of
- 17 information to be provided to the parties to extent
- 18 that they wanted -- I think there was some discussion
- 19 about a data room that had been set up with the
- 20 parties. The only thing missing was folk screaming at
- 21

- 22 Q. Did any of the union representatives offer a
- 23 counterproposal?
- 24 A. I recall Mr. McNeil and a number of other union
- 25 officials proposing that the City take a look at the

- Page 63 1 Q. Did anyone from the UAW say it was representing
- 2 retirees from UAW bargaining units at that meeting?
- A. I did not hear.

Page 61

- 4 Q. How long did the meeting take; do you recall?
- A. I know it was at least an hour, if not more.
- Q. Are you aware of Article 9, Section 24 of the Michigan
- 7 Constitution?
- A. Generally, yes.
- 9 Q. Was that discussed at this meeting?
- 10 A. By who?
- 11 Q. By -- by anyone.
- 12 A. I don't recall if anyone specifically discussed or
- 13 that was a topic of discussion.
- 14 Q. Prior to the meeting do you recall any discussion of
- 15 Article 9, Section 24 of the Michigan Constitution?
- 16 A. With who?
- 17 Q. With anyone.
- 18 A. With me and anyone?
- 19 Q. Yes.
- 20 MR. MILLER: Object to form.
- 21 A. I've never had those discussions with anyone with
- 22 respect to --
- 23 Q. So you've never discussed Article 9, Section 24 of the
- 24 Michigan Constitution with anyone from the City or the
- 25 Emergency Manager's team?

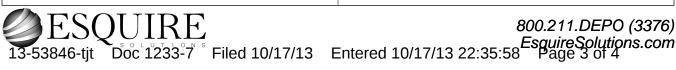

Page 62 healthcare items that were negotiated and encompassed

- 2 in that purported tentative agreement.
- 3 Q. What if anything was said about pension benefits?
- 4 A. By who?
- 5 Q. By the City representatives.
- A. I can't tell you exactly, but they had a -- there was
- 7 a handout that the City representatives walked through
- 8 with the -- with those in attendance.
- 9 Q. And did that -- and did they indicate that pension
- 10 benefits would need to be reduced?
- 11 A. As I recall the discussions were around freezing the
- 12 plan, going to a DC plan, there was an abundance of
- 13 information, financial information, discussed with
- 14 respect to the -- to the plans, but I don't recall
- 15 anyone ever saying -- saying such.
- 16 Q. Did the City indicate there was any flexibility as to
- 17 what changes might need to be made to the pension, the
- 18 pension plan?
- 19 A. Yeah, that was the whole purpose of it. They were
- 20 engaging the unions and representatives from the
- 21 various pension boards and their advisors to get --
- 22 solicit input from them with respect to that topic.
- 23 The City had made a proposal and wanted to know if 24 anyone had a proposal that -- or counterproposal they
- 25 would like to offer in that regard.

- Page 64 1 A. I've never discussed with anyone from the City -- from
- 2 the Emergency Manager's team -- and when you say
- 3 discuss, I mean, I've discussed with folk like in
- 4 passing what the -- you know, what the claim was but
- 5 I've never -- it wasn't any -- anything beyond that.
- 6 Q. Well, what what claim was?
- 7 A. Where some folk felt that there was a constitutional
- 8 provision that impacted pensions throughout the State.
- 9 Q. Do you recall when the first such discussion you may
- 10 have had was?
- 11 A. No, I don't. It would have been with someone -- you
- 12 know, someone in my office. Like I said, it's like,
- 13 you know, watercooler talk, it wasn't debate over the
- 14 merits of -- I haven't looked into the issue.
- 15 Q. Now, prior to the meeting on the 14th did you discuss
  - with anyone from the City or the Emergency Manager's
- 17 team the City might need to file bankruptcy in order
- 18 to restructure its pension obligations?
- 19 A. Could you restate that?
- 20 MR. ELLISON: Can you just read that back,
- 21 please?

16

- 22 (Record read back as requested.)
- 23 A. I've never had such discussions.
- 24 Q. You didn't -- did you discuss it with Mayor Bing?
- 25 A. I never had those discussions with Mr. Bing,

LAMONT SATCHEL CITY OF DETROIT, MICHIGAN Page 69 MR. MILLER: Objection, asked and answered. raising their hand or would they just speak without 1 A. Yeah, like I said, I would have seen this like right 2 being asked? 3 before the meeting, would have taken a look at it. 3 A. You had a little of both. Some people raise their Q. Okay. And who if anyone was the primary spokesman for 4 4 5 the City at this meeting? 6 A. I think it would have been -- I think it may have been 6 7 Mr. Miller. Q. Do you recall what he said? 8 9 A. I don't recall what he said, but it would have been 9 10 consistent with -- I mean, they just walked through 11 the slide deck, so. 11 12 Q. Did he indicate that this was a negotiation session? 13 MR. MILLER: Asked and answered. 14 MR. ELLISON: I'm talking about the meeting 14 15 on the 20th, not the 14th. 15 16 A. It was the same. It was the same. It was -- it had 16 17 all the trappings of a negotiation. It wasn't the 18 traditional labor negotiation, but as I said, it had 18 19 all the trappings of a negotiation. 19 20 Q. Did any of the unions offer a counterproposal? 21 A. At that meeting? 21 22 Q. Yes. 22 23 A. Not that I'm aware of. 23 24 Q. Was there a procedure for the unions or employees to 24 express their view? 25 25 Page 70 1 A. If I'm not mistaken, City representatives after they 1 2 solicited responses gave folk a contact person, I 2 3 believe maybe from Jones Day, who they could contact

hand, others just may have blurted out something. 5 Q. Did any of the unions offer any counterproposals at that meeting? 7 A. I don't recall that any were offered at the meeting. Q. Did Mr. Miller or anyone else from the City discuss pension benefits? 10 A. On the 20th? To the extent it was covered in the slide deck, they would have. 12 Q. Do you recall any specific statements that were made? 13 A. I don't recall any specific statements. I know -- I know they walked through -- point by point through this deck. I recall that. It was tedious, walked through the deck, point by point. 17 Q. Did the City indicate it was prepared to negotiate over the pension? MR. MILLER: Objection, asked and answered. 20 A. As I said before, it was the City both at the beginning, at the end and even throughout answering questions made it clear that they were soliciting responses from the union with respect to their proposal in terms of in this case pension they thought were the issues and soliciting from the unions their Page 72 proposal with respect to solving any pension issues that the City had in terms of funding. 3 Q. And do you recall if any UAW representatives said that

- 4 to provide any responses to or proposals.
- 5 Q. So did the City invite unions or employees to speak up 6 at the meeting and express their views on the
- 7 proposal?
- 8 A. Yeah, there was an opportunity for those in attendance to speak too and many of them did.
- 10 Q. And how did that work?
- 11 A. I believe that may have been the meeting where folk
- 12 filled out cards and a good number of them spoke even
- 13 without the card or who submitted the card spoke to
- 14 their card when it was read, when the question was
- 15
- 16 Q. So people would fill out cards and they would be
- 17 submitted to the City and then read aloud; is that
- 18
- 19 A. Yeah, the City would have them and read them and would
- 20 respond and if someone who submitted the question
- 21 would -- if they wanted to pose a question or had a
- 22 follow-up or some clarity with respect to that
- 23 question, they did. You had others who just raised
- 24 their hand -- raised their hand and spoke out.
- 25 Q. Would someone from the City call on someone who's

- UAW was representing retirees from the UAW locals at 4
- 5 this meeting?
- 6 MR. MILLER: Asked and answered.
- 7 A. If they said that, I don't recall.
- 8 Q. And do you recall a meeting on July 11th, 2013 with
- 9 unions?
- 10 A. Yes, there would have been meetings.
- 11 Q. And who was present for that meeting from the City or
- 12 the Emergency Manager?
- 13 A. From the City it would have been I think Mr. Miller
- 14 and Mr. Heiman, maybe Mr. Easley, maybe Heather Lennox
- 15 may have been there, a representative from E&Y and
- 16 Conway MacKenzie. I would have been there in and out
- 17 of that meeting. Those are those that I can remember.
- 18 Q. Did you discuss that meeting with anyone beforehand?
- 19 A. Not that I recall, other than scheduling it, because
- 20 it was scheduled in my office so I would have had --
- my office would have had discussions in terms of 21
- 22 scheduling the meeting.
- 23 Q. And do you -- was there a primary spokesman for the
- 24 City at this meeting?
- 25 A. I don't recall who it would have been. Like I say, I
